Dear Partner in Education,

Congratulations on becoming an IMSE Accredited Partner! IMSE Accredited Partners understand the importance of implementing a Structured Literacy™ program with fidelity.

An IMSE Accredited Partner is any school district or tutorial center that has an IMSE Certified Level 3 Master Instructor on site. As an Accredited Partner, you have made a commitment to training your staff in IMSE's Comprehensive and/or Intermediate Orton-Gillingham courses. Your Level 3 Master Instructor staff member is capable of consulting, mentoring, and supervising your staff to ensure the highest success.

To show your commitment to education, feel free to display this IMSE Accredited Partner Seal on your website or school materials. This seal is not transferable to any other school or district. Copyright laws apply. Use of this seal indicates that you have a Level 3 Master Instructor on staff. If that staff member leaves your district, you may identify another candidate to go through the Train the Trainer phases or you will no longer be an IMSE Accredited Partner and will no longer be permitted to display the seal.

Please let me know if you have any additional questions. Thank you.

Respectfully,

A handwritten signature in black ink that reads 'Janice R. Kohler'.
